

DATA PROCESSING ADDENDUM (DPA)

Last Updated On: August 25th, 2026

This Data Processing Addendum (this "DPA") supplements and forms part of the Reseller Partner Agreement between Namify Domains Inc. ("Namify") and the Partner (the "Agreement"). Capitalized terms not defined in this DPA have the meaning given to them in the Agreement.

1. **Scope.** This DPA applies to any personal or business data that the Partner or its End Customers provide to Namify in connection with the Services (the "Data").
2. **Compliance with Law.** Namify shall process the Data in accordance with all applicable data protection and privacy laws and regulations in the jurisdictions where such Data is processed.
3. **Purpose Limitation.** Namify shall use the Data solely for its own operational management of the Services and the Platform, and for no other purpose.
4. **No Third-Party Disclosure.** Namify shall not disclose, sell, rent, or otherwise share the Data with any third party outside this Agreement, except: (a) to Namify's employees, contractors, or service providers who need access to perform the Services and who are bound by confidentiality obligations at least as protective as this DPA; or (b) where required by law or a valid order of a competent authority, in which case Namify shall, where legally permitted, notify the Partner before disclosure.
5. **Security.** Namify shall maintain reasonable administrative, technical, and physical safeguards designed to protect the Data against unauthorized access, use, or disclosure.
6. **Term.** This DPA remains in effect for as long as the Agreement is in effect, and Namify's obligations under this DPA survive termination of the Agreement with respect to Data already processed.
7. **Governing Terms.** In the event of any conflict between this DPA and the Agreement or any Commercial Addendum with respect to the processing of Data, this DPA shall govern, except that the Agreement's provisions on confidentiality, limitation of liability, indemnification, and dispute resolution shall continue to apply to this DPA unless expressly stated otherwise herein.
